- Join Bishop Alan M. The workshop takes place on *Tuesday, Oct. 20, 9:30 a.m.-2 p.m.*, at St. Andrew's Church (3 Maple Street) in Framingham. It is organized by New England Regional Environmental Ministries to support **"A New Awakening"**—an ecumenical season of prophetic climate witness from St. Francis Day (Oct. 4, 2015) through Transfiguration Sunday (Feb. 7, 2016).

GRANTS & LOANS:

- The severe winter weather of early 2015 caused financial hardship for many congregations. To assist them, **one-time winter expense grants** of up to a maximum of \$500 per congregation are available. To qualify, a congregation will have incurred additional expenses (such as snow removal or storm damage repair) that exceed 15 percent of the amount budgeted for the 2015 winter period, and that can be attributed to the storms that occurred in January through March of 2015. Grants are for costs not covered by insurance.

Congregations are asked to submit a written request, using the form provided [here](#). The request should also include documentation, such as invoice copies or financial reports, that indicates the overage amount. **All requests should be submitted by Sept. 15.** Grants will be disbursed in mid-October.
